Geneva, 2-27 July 2007
Agenda item 7 (c)
Coordination, programme and other questions: international cooperation in the field of informatics

Draft resolution submitted by the Vice-President of the Council, Léo Mérorès (Haiti), on the basis of informal consultations

The need to harmonize and improve United Nations informatics systems for optimal utilization and accessibility by all States

The Economic and Social Council,

Welcoming the report of the Secretary-General on international cooperation in the field of informatics[1] and the initiatives of the Ad Hoc Open-ended Working Group on Informatics,

Recognizing the interest of Member States in taking full advantage of information and communication technologies for the acceleration of economic and social development,

Recalling its previous resolutions on the need to harmonize and improve United Nations information systems for optimal utilization and access by all States, with due regard to all official languages,[2]

Welcoming the intensification of efforts by the Information Technology Services Division of the Department of Management of the Secretariat to provide interconnectivity and unhindered Internet access to all Permanent and Observer Missions at the United Nations,

1. *Reiterates* once again the high priority that it attaches to easy, economical, uncomplicated and unhindered access for States Members and

Observers of the United Nations, as well as non-governmental organizations accredited to the United Nations, to the computerized databases and information systems and services of the United Nations, provided that the unhindered access of non-governmental organizations to such databases, systems and services will not prejudice the access of Member States nor impose an additional financial burden for their use;

2. *Requests* the President of the Economic and Social Council to convene the Ad Hoc Open-ended Working Group on Informatics for one more year to enable it to carry out, from within existing resources, the due fulfilment of the provisions of the Council resolutions on this item, to facilitate the successful implementation of the initiatives being taken by the Secretary-General with regard to the use of information technology and to continue the implementation of measures required to achieve its objectives, and in this regard requests the Working Group to continue its efforts to act as a bridge between the evolving needs of Member States and the actions of the Secretariat;

3. *Expresses its appreciation* to the Information Technology Services Division for the continuing cooperation it is extending to the Working Group in the endeavour to further improve the information technology services available to all Permanent and Observer Missions at the United Nations and, in particular, for implementing the CandiWeb elections and candidatures website, a cooperative effort of the Secretariat and the diplomatic community coordinated by the Working Group;

4. *Requests* the Secretary-General to extend full cooperation to the Working Group and to give priority to implementing its recommendations;

5. *Also requests* the Secretary-General to report to the Economic and Social Council at its substantive session of 2008 on action taken in follow-up to the present resolution, including the findings of the Working Group and an assessment of its work and mandate.
